

[Want to share your thoughts on deficit reduction?](#)

I believe the time is now for all Americans to come together and participate in finding common sense solutions to the challenges we face. Many of the projects I work on here in Congress have been brought to my attention by southern Minnesotans. For this reason, it is important to me to hear from you. I want to hear your ideas and opinions on ways to reduce the deficit. It is a privilege to serve you, and I value your feedback.
